- 2003 - 2007 Co-supervisor for doctoral student Lina Olsson, Lund University, until her doctoral dissertation Jan. 2008.
- 1998 – 1999 two years co-supervision of doctoral student Lena Falkheden, Chalmers University of Technology, until her doctoral dissertation nov.1999.
- 1998 – 1999 two years co-supervision of doctoral student Mir Azimzadeh, Chalmers University of Technology, until his licentiate degree Nov. 1999.

External research grants received in competition

- 2011-2014 Co-applicant for the research project "Chronotope: Time-Space Planning for Resilient Cities? New Means of Sustainable Planning in Societies of Consumption". Financed by EUs Urbannet. Project leader Mattias Kärrholm, prof., Malmö University. Swedish part 3.000.000

- 2009-2010 Co-applicant for the research project “Replacis - Retail planning for cities sustainability”,. Financed by EUs Urbannet, Project leader: Teresa Barata-Salguiero, prof, Lissabon University. Swedish part 2.000.000
- 2006-2012 Main applicant and project leader for the research project “The contradictory urbanism – on economic, social and ecological sustainability in the planning of the new urban landscape”, financed by Formas. Together with Guy Baeten, prof., Bengt Holmberg, prof, Eva Kristensson, ass.prof., Mattias Kärrholm, prof., Nora Räthzel, prof. Total amount: 6 100 000.
- 2005-2007 Main applicant and project leader for the research project “Suburban Retail Environments as Meeting Places - continued doctoral studies”, financed by Formas. Together with Mikkel Schönning Sørensen, doctoral student. Total amount: 920 000
- 2005-2007 Main applicant and project leader for the research project “Informal Spatial Practices within Public Space - continued doctoral studies”, financed by Formas. Together with Lina Olsson, doctoral student. Total amount: 920 000
- 2005-2007 Main applicant and project leader for the research project “The potential of public space to transgress the boundaries of the segregated city. Part II, financed by Formas. Together with Nora Räthzel, prof, Finn Werne, prof, Tomas Wikström, prof. Total amount: 1 350 000
- 2002-2005 Main applicant and project leader for the research project “The potential of public space to transgress the boundaries of the segregated city”, financed by Formas. Together with Nora Räthzel, ass.prof, Finn Werne, prof, Tomas Wikström, ass.prof, Lina Olsson, doctoral student, Mikkel Schönning Sørensen, doctoral student. Total amount: 6 630 000
- 2002-2005 Main applicant and project leader for the research project “Place and cultural identity in the segregated city”, financed by Formas. Together with Carina Listerborn, post doc. Total amount: 1 800 000

Extramural activities

Several of my research projects have involved extensive contacts with different stakeholders, as well as with Media. I also attend quite a large number of conferences where different stakeholder meet, and often accept invitations to give public lectures.
